Tech Annex Production

Esto es una  
Producción de Tech Annex

Teens, do you want to be creative and learn new skills? We're looking for participants who play instruments, want to create beats using Fruity Loops, create and edit videos using Adobe CS3, want to work on a machinima, or want to be an actor or actress in a video.

Jovenes, quieres ser creativo y aprender nuevas tecnicas? Estamos buscando participantes quienes tocan instrumentos, quieren crear sonidos usando Fruity Loops, haciendo y preparando videos en Adobe CS3. Quieres trabajar con un video de machinas, o quieres ser un actor o actriz en un video.

You all decide what the project is and then you work on it together. The goal is to create a 10-minute video, music or otherwise, with music produced in-house with instruments, mixers, or microphones.

Tu decides que proyecto trabajar y trabajaremos juntos. La meta es crear un video de 10 minutos, con musica o otra cosa. Musica producida en-casa con instrumentos, mixers, o microfones.
